Richard Thomas Penner, in response to your request for a Patriarchal Blessing I place my hands on your head and by the authority of the Holy Melchizedek Priesthood I bless you and tell you of your lineage as it comes from the House of Israel. You are from the Tribe of Ephraim.

Your lineage in Israel helped you to recognize the true Church. As you continue to study, and meditate, and pray the gifts of the Gospel will continue to come to you. As you exercise your Priesthood in righteousness you will gain knowledge and understanding. Your faith will grow and your faith will motivate you to do good things.

You will be blessed as a father and as a grandfather. You will always be a good example to those who look to you for leadership and guidance.

You will be able to magnify the calls which will come to you in the Church. You will be effective in helping to establish the Kingdom of Heaven here on earth.

You will continue to enjoy good health. You will enjoy your daily labors. You will be wise in the use of your time so that you will have time to give to helping the Church to grow and to prosper. There will be peace and plenty in your home.

You will be blessed as you work to find out about your family who lived before you. As you seek after this genealogical information the ways will be opened and you will be able to do much to help your good progenitors so that they might accept the Church in the Spirit World.

I seal you up against the power of Satan so that he will not come into your life and deceive you and lead you away from the things that you know to be true. I bless you that you will come forth in the morning of the first resurrection there to enjoy exaltation with your family and your loved ones.

Now as you go forth you will continue to do good in helping others to understand the Gospel through the way that you live and through the things which you say. I bless you that you will be valiant in your testimony and in your good deeds.

These blessings are sealed upon you, through your faithfulness, in the Name of the Lord Jesus Christ, amen.

Margaret Rebecca Gindlesperger Penner, by the authority of the Holy Melchizedek Priesthood I place my hands upon your head and give you the Patriarchal Blessing which you desire and tell you of your lineage in the House of Israel. You are descended from Ephraim the son of Joseph, who was sold into Egypt and who received an important blessing from his Grandfather Jacob.

You are blessed to live in this time when the Gospel is on the earth in its fullness. You are blessed to be active in the affairs of the Church. You will continue to be blessed in the calls which will come to you and the call which you now have. Because of your activity in the Church you will become stronger, your will to do good will become stronger, and your influence in the lives of others will be strong for good.

There will be peace and tranquility in your home. There will come a time when you, your husband, and the other members of your family will go to the Temple and there receive your endowments and be sealed together for time and all eternity.

As people come to you seeking for advice you will be blessed to help them with their problems. You will be blessed to help them to be good homemakers so that the spirit of the Gospel will abide in their homes. As you teach and preside among the sisters you will be able to help them to understand that homemaking and motherhood are both of great importance in the sight of the Lord.

You will be blessed with health and with strength. You will be guided and protected as you travel. You will be prompted and inspired as you seek after inspiration. The blessings of the Gospel will come to you as you seek for them. Your faith will be strong and your prayers in behalf of your loved ones will be answered.

I seal you up against the power of Satan so that he will not be able to deceive you and lead you away from the truths that you are acquainted with. I bless you that you will come forth in the morning of the first resurrection to enjoy exaltation with your loved ones and with your family.

Now I bless you as you go forth, that you will find joy in the service to the Lord and that as you obey the principles of the Gospel and let them be a guide in your life, you will enjoy peace.

These blessings are sealed upon you, through your faithfulness, in the Name of the Lord Jesus Christ, Amen.
