Hello Steve and Cathy,  
Records here show Bessie Comley was interred April 18, 1897 and Lee Comley was interred April 13, 1897.  
There is a single stone with both names on it but no dates.  
The location is Monument B, Lot 201, Space 3.  
The lot owner is William M. Comley and Eunice Comley. They both have markers as well.  
There are 2 other burials on this lot.  
Joshua M. Comley  
Elizabeth Comley.  
They do not have markers.  
There are maps on the website. If you need further assistance, please let me know.

Greetings,  
We are trying to locate internment dates for the twins Bessie and Nora Lee "Lee" Comley, who are buried in Green Lawn Cemetery. Regrettably, we do not have any grave location information to assist in this request. The twins were born on March 7, 1891 in Frankfort, IN and, it is believed, either were stillborn or died shortly after birth. The twins were first cousins to my Steve's paternal grandmother, Isalake (Comley) Auble. We respectfully request a search of the cemetery burial records to determine the date(s) of internment and, if available, any other information such as date(s) of death and/or any other biographical notes which may be contained in the burial records. We sincerely appreciate any help that you may be able to provide, and we thank you in advance for your efforts in responding to this e-mail message.  
Best regards,

Steve and Cathy Auble
