

Thursday, March 24, 1881 Watertown Daily Times

“Ira Butler died at his home on High-St. This morning, at the age of 78. Mr. Butler was a clock and watch mechanic and was known as a very eccentric man. His greatest happiness was found in Bible discussions. He claimed he had been in the other world and delighted in telling about it. Although odd, Mr. Butler possessed many virtue and had many admirers.”
