## *"I Am a Child of God"*

1. I am a child of God, And he has sent me here, Has given me an earthly home With parents kind and dear.

2. I am a child of God, And so my needs are great; Help me to understand his words Before it grows too late.

3. I am a child of God. Rich blessings are in store; If I but learn to do his will, I'll live with him once more.

4. I am a child of God. His promises are sure; Celestial glory shall be mine If I can but endure.

### Chorus

Lead me, guide me, walk beside me, Help me find the way.  
Teach me all that I must do To live with him someday.
