CHILD 4 - Annis CALLEN (Continued)

So apparently Annis never had children of her own. We deduce she was a spinster who had come to Jefferson CO. Iowa with her sister Mary (Callen) Mulvaney's family, had a late marriage (at age 52) there to Josias Baker as his second wife, and after he died Annis remarried to Samie Wakefield as his second wife.

CHILD 7 - Mary "Polly" CALLEN

From the Internet:

Mary's death was reported as about 1841/42, but the 1850 census shows additional children which we assume were hers. She must have died 1849/50, for John is shown without a wife on the 1850 census, and the marriage to Sarah was that same year.
