

## **Mont Wesley "Buck" Lincecum**

Mont Wesley Lincecum was born 18 August 1901 in Texas, the fourth son of Luke Anderson Lincecum (d. 1944) and Ida A. Bynum (d. 1952). Mont married first, about the age of 24, Isabel Veronica Evans at Yolo, California. I do not know if they had any children together.

Mont married again on 24 July 1934 in Carson City, Nevada to Fredabelle Pape Held (1909-1949). They had two sons, Mont Wesley Lincecum, Jr. (1936-2012) and Perry Gamble Lincecum (d. bef. 2012). Mont was also stepfather to Montebelle Barbara Held (1934-2012), whom he knew since she was less than a month old.

Mont married for a third time in 1953. He died 24 November 1982 in Sacramento, California.

### **Individual Facts:**

Mont Lincecum

Branch = Army

Enlistment 24 May 1920, Release 11 June 1923

Mont Lincecum found himself in the Sacramento Bee newspaper several times, often for his police work. Perhaps one of the more interesting articles, dated 4 February 1943, had this headline and beginning:

Chief Says Probe Clears Policeman Of Ties With Club

Police Chief...submitted a report to Acting City Manager...today stating "there apparently is no foundation" to a rumor that Detective Captain M. W. (Buck) Lincecum has a financial interest in the Reliable Clubroom, 1017 Sixth Street.

...The Reliable Clubroom is one of several places ordered to cease illegal gambling operations as a result of stories published in The Bee.

Another article eight months later claimed this:

Detective Captain Is Named In Will Of Card Room Operator Detective Captain M. W. (Buck) Lincecum of the Sacramento Police Department will receive a trust fund bequest of undetermined value from the estate of his friend, Harry (Holland) Plafker, west end businessman and card room operator who died October 4th...

To be clear, to my knowledge, Captain Lincecum was not found to be guilty of any wrongdoing.
