Mrs. Sophie Masterson,
Lake Charles, La.

Dear Mrs. Masterson:

Dr. Joe Farrar, Dean of the Lake Charles Junior College, stated in a letter received about two weeks ago that any student who held a scholarship from any of the state institutions could turn that scholarship in to him and he would issue a scholarship for the Junior College. I suggest that your daughter mail her scholarship to Dr. Joe Farrar, University Station, Baton Rouge, with a request that he grant her a scholarship for the Lake Charles Junior College.

Yours very truly,

Superintendent
