

FEDERAL WORKS AGENCY
WORK PROJECTS ADMINISTRATION
OF LOUISIANA

Lake Charles, La.
February 7, 1941

JAMES H. CRUTCHER
ADMINISTRATOR

TO WHOM IT MAY CONCERN:

This is to certify that Miss Kathryn Masterson has been working on the National Defense Project of the Work Projects Administration for the past six months, and her services have been very satisfactory. Her release from the project being effected through no fault of her own, but because of the necessary reduction in personnel.
