

A black and white photograph of a school courtyard. In the foreground, three students are walking: a girl on the left holding a large umbrella, a girl in the middle wearing a headscarf, and a boy on the right. They are walking on a paved area. In the background, there is a large, multi-story building with several windows. A large tree with bare branches is on the left side of the frame. The overall scene is a typical school courtyard during a rainy day.
