

Peter Munk Celebrates Birthday

Peter Munk celebrated his 98th birthday anniversary last Saturday afternoon with his children and grandchildren at the Community Camp in Manti Canyon. The large birthday cake, decorated with many candles, lighted by the great-grand children was one of the features of the day. Pictures were taken of the group and an enjoyable time was had by all as they expressed their love and appreciation to "Grandpa Munk."

Peter Munk is the second oldest man in Utah. He is active in his home and this summer has worked. He is very interested in the war and each month is buying a war savings bond. He enjoys the regular visits from his large family and they in turn enjoy the many interesting stories he has to tell them.
