My name is Joni Reese. I am with the Law firm of Christensen & Jensen. I was so sorry and so sad to hear of your Dad's passing. I want you to know what a very loving and kind man he was. I truly loved him as a person. He was one of the great ones here on the earth and was truly such an example of Christ in my opinion. I will forever feel so blessed to have known your Dad. One of the attorneys here at our firm (Phil Ferguson) said if we were all like Craig there would be no need for attorneys. I truly believe that. I have 2 memories of your dad that always will remain with me. First he would say went he went to the Utah State Bar as he was leaving I'm going to the bar to get my brandy and then he would smile and laugh! I would always laugh back because he was always such a righteous man (He was trying to be funny and was!). The other memory I have of him was more of a personal nature. I had once asked him for some advice on a personal matter. He called me in his office and talked to me about what I needed advice on. He had a legal pad in his hand and wrote notes on it. He said he would get back to me so a couple of days later he called me back in his office and had done quite a bit of research for the pros and cons of my dilemma. I knew that he put much thought into giving me the best advice he knew and all the research he had done. I truly loved him for that. It touched my heart deeply that he would care so much about my personal life. I just wanted you to know how much we all love him here. He was the very best and I am honored and blessed to have known him. I am truly sorry for your loss and ours. I also wanted to ask if you if you could please give me your mom's address. We wanted to send her some flowers. Thank you so much
