

## THEIR ONLY SON

### William Joseph Thein

"Billy Joe" was born in a trailer house that was parked on a farm near Osmond, Nebraska. When Bill was 10 days old they moved back to Norfolk with Pa and Ma... lived in their basement and Aunt Mary and Uncle Zeke lived in the north upstairs area. This was on Hendrick's Street in Norfolk, Nebraska

.....Grandma often has told the little story how Bill would go round and round on his little tricycle saying "Sunny Bitch, Sunny Bitch !!!"

Grandpa's work was construction for many years... he was very proud to tell you of the many highways he had a part in constructing... He was also proud of being an employee of "Cap't Tyson" and Peter Kewitt. They lived in many, many areas: Iowa, Nebraska, Texas; Dallas, Fort Worth, and Lubbock.
