

~~translation~~. give it my attention,  
but I would like to get 24% on  
money. Not that I have a great  
amount to invest, but I might  
invest a little that way. Now,  
what can one get for loaning  
money on a real estate mortgage?  
I would want it to be perfectly  
safe, with present value of the  
real estate to be double the amount  
of mortgage, and if buildings are  
on it, they should carry insur-  
ance. The interest should be paya-  
ble quarterly or semiannually.  
The property should have a clear  
title as shown by an abstract.  
Of course, on such a loan one  
cannot expect to receive 24%,  
but I expect one can get a  
good rate of interest, perhaps  
ten or twelve percent. Do you
