

FUNERAL SERVICES HELD FOR ELDER CHASE TRIMBLE

Last Sunday afternoon funeral services were held in the Fillmore Ward Chaple, for Elder Chaso Trimble who died in the Eastern States Mission field August 27. The funeral was one of the largest ever held in Fillmore, there being a great many people from other communities of the county. Elder Trimble was very well known throughout the county, having been a prominent citizen of Fillmore, Oak City, and Leamington, and having been a temporary resident of several other communities of this county. Wherever Elder Trimble had been his winning personality had won him many friends as was witnessed by the crowd that filled to capacity the large Fillmore Ward Chaple. It is estimated that there were 400 people in attendance.

The services were opened with prayer by D. W. Black. The chiors of the Fillmore 1st and 2nd wards furnished very beautiful and appropriate music. Grover A. Giles rendered a vocal solo, and an impressive quartett was given by four young men from Leamington. The speakers were Bishop Ashby, from Leamington; Wm. D. Melville, from Fillmore; Bishop Anderson, from Oak City; Elder Hunter, a missionary companion of Mr. Trimble's from Holden; Elder Bott, president of the mission at the time Elder Trimble entered the field, and the man who Elder Trimble succeeded to the office of mission president, from Ogden; and Joseph T. Finlinson, from Leamington. Bishop Parker Robison of the Fillmore Ward presided and made a few closing remarks. The services were closed with prayer by Bishop J. F. Anderson.

Elder Trimble left as a missionary from the Leamington ward, where he had lived for some time prior to his call. He was, however, a native of this community, having been born and lived here during his boyhood and youthful days. He is survived by four brothers, Jefferson, Edward, Alexander, and Cuthbert, all of this community.

As evidence of the high esteem in which he is held by the people of this county, Bishop Ashby made a statement to the effect that the people of Leamington were making preparations to hold memorial services in that community for Elder Trimble as a substitute for the regular funeral which they had desired be held at that place had it been possible.

Elders Bott and Hunter both testified to Elder Trimble's unsurpassed ability and integrity as a missionary. They augmented there statements by pointing out the fact that Elder Trimble had only been in the mission a comparatively very short time when he was made mission president.
