

## LA Study Group Week 4 Study Guide

1. Review paleography assignment
  - Find and extract the birth record of Manuela Gregoria GARAY in the department of Treinta y Tres in 1889. Use film number from indexed record. Index image is found on image 1135 of Treinta y Tres indexes. Record is found in image 1503.
  - Find and extract the marriage of Pedro BRAIDA & Felipa MUNDIN in the department of Canelones in 1906. Index image is found in image 1846 in Canelones indexes. It is not in the national index. Record image is found on image 98.
  - Find and extract the death record of Esteban Antolin DIAZ in the department of Río Negro in 1924. Index image is found in national indexes, image 3148. Record image is found on image 444.
  - What are the next research steps?
2. Civil Registration in Costa Rica
  - When did it begin?
  - FamilySearch Wiki article Costa Rica Civil Registration.
3. Activity – Show how to use the different databases.
  - Consulta por nombre y apellidos
  - Consulta de matrimonios
  - Consulta de defunciones
4. How to order Civil Registration records from Spain online
  - FamilySearch Wiki article Order Spain Vital Records Online
  - You need to have the date of the event. They won't do research
  - Follow the instructions in the Wiki for filling out the form.
5. Complete the following e-Lessons
  - LA 3.3 Civil Registration Marriage Records
  - LA 3.4 Civil Registration Death Records
  - Schedule a lesson review as indicated after completing the e-lesson LA 2.3 Church Directories before beginning the LA 2.4 Jurisdiction Case study. Once you have successfully completed the lesson review, begin working on the case study. It will be due at the end of the 8-week session.
