- Learn how to use Metasuche

STEPS

1. Type in the URL www.genealogy.net or www.compgen.de . Both will take you to the same site
2. Notice the yellow toolbar on the home page of the site. Look for the term, Metasuche and click there. It is in the red box as shown below: You can view this in German and English.

The screenshot shows the homepage of the German Genealogieserver. At the top, there is a yellow navigation bar with various menu items. The 'Metasuche' option is highlighted with a red rectangular box. Below the navigation bar, the main content area is titled 'Willkommen auf dem deutschen Genealogieserver' and provides information about the website's services and resources. On the right side, there is a section for 'Aktuelle News' with a list of recent updates and a date range from 04.12.2013 to 01.10.2013. At the bottom right, there is a small RSS icon and the text 'Powered by CMSimpleRealBlog'.
