

1. I am looking for a birth record for Josephine Chevallier. She born about 1865 in Coulandon, France.
 - What records are available?
 - Where will you search?
 - What other questions can you ask?
 - Do you know the names of parents?
 - Jacques Francois Chevallier and Eugenie Blots

2. My great grandparents were married later in life. I am trying to find out why. I would like to find their marriage to see if there are any other clues. They lived in Sainte-Suzanne-en-Bauptois. Their names are Amand Francois Germain and Philomene Fremond. Where will you search for records?
 - How will you find the locality?
 - What records are available?
 - Where will you search?
 - What other questions can you ask?
 - Do you know when they were married?
 - My grandfather, their child was born in 1886
 - Do you know the names of their parents?
 - No

3. A client comes in looking for the birth record of her ancestor, Arnolde Haristoy (aka Armando Aristoy). She brought a marriage record for Arnolde and Brigida Nagore. This marriage took place in Aoiz, Navarra Spain but Arnolde was born in France.

Goal: Locate the birth in France.

- What are your first steps?
- What records should you look for based on the information you have?
- What resources will you use?
