Advancing Your Polish Research
Using Polish Websites
Sonja Hoeke-Nishimoto AG®
Germanic/Polish Research Consultant FamilySearch

The websites listed here are only a small sample of the useful sites that can be found to help you with your Polish research. It was not possible to give all the sites for each category, but rather to give you general ideas of what to look for as you use the Internet to further your research and knowledge of your ancestors’ homeland. Only a portion are discussed in the class.

Archives (see Wiki for many more Archive listings)
- http://www.gca.ch/Genealogie/Oels/staatsarchiv_breslau.htm Information about the State Archives in Breslau and information about Kreis Oels.

Civil registration and Parish Addresses
- http://www.usc.pl/zasieg A site from Technika Corporation that gives Polish civil registration offices mailing addresses and phone numbers, web addresses and email addresses, when available. Parish information is also on this site.

Digitized records and data bases
- New!! Civil Registration Opole
  http://www.szukajwarchiwach.pl/45/1016/0/str/1/100?ps=True#tabJednostki
